

AMP-LE-S & AMP-LE-F DOOR STATION

The AMP-LE-S is a stainless steel audio door station, for use with Aiphone LE series audio intercom systems.

Manufactured from marine grade 316 stainless steel, it is available in both flush and surface mounted versions and designed for outdoor use even in the harshest environments.

The door station features a combined loudspeaker and microphone complete with a stainless steel call button.

AMP-LE-S

AMP-LE-F
