DCNM-WTCD Transport case wireless sys, 10x DCNM-WD

www.boschsecurity.com

BOSCH
Invented for life

▶ Proven construction

▶ Equipment-shaped foam interior

▶ Roller wheels for convenient transportation

▶ Cushion grip handles; trigger release latches

The transport case holds ten DICENTIS wireless discussion devices, ten high-directive microphones, ten short or long stem microphones, one WAP, one PSU, and two chargers.

Functions

- Provides adequate protection for DICENTIS equipment during transportation and storage.
- Foam shaped interior for fast and easy packing and unpacking of equipment.
- Roller wheels and retractable handle for convenient ground transport.
- Handles and latches are recessed and protected.
- Two metal-reinforced holes for locking the transport case with padlocks.
